RedVision Names Tim Padgett to Key Operations Position

Parsippany, N.J. – May 4, 2017 – RedVision, a leading national provider of title and real property research solutions, announced today the appointment of Tim Padgett as vice president, operations. A key member of the senior leadership team, Padgett is responsible for managing RedVision’s national and regional operations and service centers with an emphasis on continuous customer success and satisfaction enterprise-wide.

“Tim Padgett has extensive experience in management, development and risk assessment,” said Brian Twibell, president of RedVision. “He will apply his industry expertise in multi-state operations, onshore and offshore operations, vendor management and underwriting to strategically manage our day-to-day operations and optimize service delivery to RedVision’s national and regional customers.”

With over 30 years of title industry experience, Padgett joins RedVision from Altisource Premium Title Services, Inc., where he most recently served as vice president, retail title and closing. Earlier in his career, Padgett also served in various leadership roles at Westcor Land Title Insurance Company and other title companies, and brings a comprehensive background in title operations, closings, settlement services and title insurance.

“As a previous RedVision customer and a long-time member of the title industry, I have a sincere appreciation for voice of the customer and the businesses they serve, along with a deep understanding of the title transaction,” said Padgett. “I hope to combine my experience as both a customer and solutions partner to further enhance RedVision’s commitment to consistently provide its clients with a quality product and superior customer service.”

Padgett also served on the American Land Title Association (ALTA) technology committee from 2000 to 2008 and was a member of the title insurance workgroup for the Mortgage Industry Standards Maintenance Organization (MISMO) from 2002 to 2005.

About RedVision

As a leading national provider of title and real property research, RedVision® applies technology and managed-service solutions to transform the procurement and processing of title information. In 2015, the company introduced its proprietary NOVA® technology and cascade of best-practice standardized Redi® products – SearchRedi®, ExamRedi®, CurativeRedi® and ClearingRedi® – to empower customers with transaction cost savings, SLA attainment, compliance and risk management. Since 2006, RedVision has delivered more than 7.5 million title reports to 1,600+ client organizations, including financial institutions, title underwriters, settlement service providers, national agents, local agents, lenders, attorneys and foreclosure/default processing firms. RedVision has been designated an American Land Title Association (ALTA) Elite Provider, successfully examined against SOC 2 standards, named on
